Dear son : - What was the big
idea in taking my Post office
key to the city ? I was re-
laxed, that I should not be
able to get into this building
to answer my self that you did not
write to me. Our well to open our
box with Burnie's personal letter
longing? - how shall we all not
do I believe - so how about an
exchange? Please let me know -
but how am I to get the news? If he
